Organ-Bowles, Superior Court Judge, County of Kern

Tiffany Bowles was a Deputy District Attorney—misdemeanors, felonies, domestic violence, felony DUI, and juvenile prosecution before becoming a judge. She's married to Stephen Bowles (19 years September 2018), together they have two children, Della, 11, and Courtland, 6.

Judge Organ-Bowles is the first woman elected to the bench in Kern County, and the first (woman or man) to unseat a sitting judge in the 2016 election. Thank you to my ShePower Sisters for all the support in that endeavor!

I am currently assigned to the Mojave Courthouse, handling criminal matters. This job is beyond what I ever imagined, it is challenging, fulfilling, and keeps me on my toes!

That's how our Game Changer Award honoree the honorable Tiffany Organ-Bowles, #livinghistory owns her ShePOWER and change the game forever for women and girls to Lead without apology.
